2. Contract No. [REDACTED] covers the procurement of engineering and consultant services from [REDACTED]. These services are to be used primarily in connection with the Project CORONA Programs. At this time it is contemplated that only the services of Mr. Wm. [REDACTED] will be utilized. However, the possibility does exist that other engineers may be used later if deemed necessary. The contract is a Fixed-Price type with services on a man-day basis and covers the period 1 July 1960 through 30 June 1961.

3. Contract No. [REDACTED] obligates an amount of \$10,000.00 chargeable to Fiscal Year 1961 CORONA Funds. An Activity Program [REDACTED] has been initiated to cover this procurement. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) see 85-307 dtd. 7/7/58) for each contract.
